**2010 Essay Topics:**

- 1 In today's tough economic times, more prospective college students are looking to attend state universities or local community colleges rather than private universities. What do you feel are the "pros and cons" to attending a state university or local community college?
- 2 **What part should the federal and/or state government play in our healthcare, if any, and why?**
- 3 **Write down and describe a five point plan for presentation to teens to prevent drunk-driving accidents**
- 4 **You are 17-18 yrs. old – do you need life insurance? Explain your answer.**
- 5 DWT (driving while texting) accidents are prevalent among your generation. Are more automobile accidents caused by DWT or DWI? Do you know of any organizations promoting safe driving tactics and NOT texting while behind the wheel?

**To be completed by Guidance Counselor:**

I hereby attest that the above-referenced student is a graduating senior who has applied and will be attending post-secondary education.
